# ST. MARTIN ANGUILLA

You're about to live two unique experiences on one trip: enjoy the stunning tropical landscapes, azure waters and laid-back lifestyle of St. Martin and Anguilla, and discover the best of both islands all in a week's time!

## GOOD TO KNOW

Be sure to attend the briefing held at the beginning of your trip, as the representative will confirm the meeting point and departure time of your transfer to Anguilla, and provide you with destination information. Note that the hotel-airport-pier transfers and sea shuttle between St. Martin and Anguilla are included.

**TRAVEL DOCUMENTS** The departure date for Anguilla will be indicated on your e-ticket. Your passport is required to enter the island. Requirements may be different for St. Martin and Anguilla, and are subject to change at any time, therefore it is your responsibility to check [travel.gc.ca/travelling/advisories](http://travel.gc.ca/travelling/advisories) before your trip.

**BAGGAGE** Be sure to pack comfortable walking shoes, sunscreen, insect repellent, sunglasses, a hat, camera and cash for excursions, meals and souvenir shopping. **Please ensure you have your luggage when departing from your hotel in St. Martin.**

**TIPPING** Tips are at your discretion and are very much appreciated by cleaning ladies, bellboys, guides and chauffeurs, as well as waiters and bartenders.

**CURRENCY** During business hours, money can be exchanged at the local banks.

**TRANSPORTATION** The local buses circulate on the main route that runs between major cities. To board the bus, simply flag down the driver. Taxis on the island are very costly, be sure to agree on the price with the driver before getting into the car. The most affordable way to discover the island is by renting a car. Please consult your representative for rental information, rates and conditions.

**EXCURSIONS** The representative will provide details on available excursions during the briefing, as well as suggestions of what to see and do during your stay.
