### Reminder

- The at-source commission structure applies only to Canadian travel agencies.
- At-source commission is calculated on the base fare excluding taxes and carrier surcharge.
- No commission will be paid for bookings made via the call center. Exceptions will be made only for bookings that cannot be made via an online reservation system. For example, exceptions include unaccompanied minors or bookings of more than 6 passengers.

- Applicable to bookings made in the GDS:
  - Commission will be paid based on the highest fare family selected for the full itinerary.
  - If a ticket is refunded, any applicable commission originally paid will be recalled.
- Applicable to other reservation platforms (supplier VAT):
  - The fares offered via the Tour operator channel only include the equivalent of the Eco Standard (ECO) and Club Standard.
  - This at-source commission grid does not apply to packages, it applies only to air only flights
