CHANGES

9. Can more than one change be made to the same file?

Yes. Multiple changes can be made, but they must all be made at the same time, and only once. Additional changes after that will be subject to penalty. Changes are subject to availability.

10. If the package price is higher after a change, will the customer be required to pay the difference? If lower, will they be refunded?

If the price for the new travel dates/destination/hotel/room category is higher, the client must pay the difference. No refund will be given should the price be lower than the initial price.

11. Can customers repurchase Option Flex on a new package?

Yes. Option Flex Standard or Option Flex Extra can be repurchased but only at the time the change is made.

CANCELLATIONS

12. How long after cancellation do customers have to wait before booking another package?

For both Option Flex Standard and Option Flex Extra, customers must wait 10 days after cancellation to make a new booking.

13. Can Option Flex credits be used on any product?

Yes. Option Flex credits can be redeemed for any Transat or Air Transat product.

14. How can customers with Option Flex Standard or Option Flex Extra cancel their bookings?

Travel agents are required to complete our online [cancellation form](#) to process the request.

If the travel agent is not available within the time window required for cancellations, customers should complete the online [cancellation form](#) to process the request.

15. Will customers be refunded if they cancel a booking with Option Flex Standard or Option Flex Extra?

Customers who purchased **Option Flex Standard** can get a travel credit in the amount of the penalty at the time of cancellation, and the balance will be refunded in the original method of payment. The refund excludes the amount paid for Option Flex Standard.

They will receive the travel credit and refund within about 15 days. Travel credits will be issued in the name of each traveller on file at their travel agency and may be redeemed for any Transat or Air Transat product.

Customers who purchased **Option Flex Extra** can get a refund for the amount paid at the time of cancellation, in the method of payment on file. This excludes the amount paid for Option Flex Extra.

16. How long are travel credits valid for?

Option Flex credits will remain valid for 12 months from the original return date. In order for the Option Flex credit to be applied to a new file, travel must be completed before the expiry date.

17. Can a customer book through another travel agency after cancelling?

No. After cancelling, the Option Flex credit will remain on their file; therefore, they will need to rebook with the same agency. In the event that the original travel agency is closed, clients are asked to contact Transat directly.

18. Can customers use Option Flex as a way to secure a lower rate if their package price drops?

No. There is no refund if their package price drops.

19. Is Option Flex the same price for children?

Yes. The price and conditions remain the same for all travellers who purchase Option Flex.
