

Discover Transat's health and safety program

We know that the pandemic has raised concerns about travelling. That's why our teams have been working hard to ensure the safety of travellers and facilitate their planning by continuously adjusting our [Traveller Care](#) health and safety program and our [practical guide](#) on travel requirements.

Hotels with COVID-19 testing available

Discover our hotel partners offering this [service on-site or at an external clinic](#) along with details about the testing services.
