

How to get hotel information in just a few clicks

Information about offered hotels is available on www.transat.com.

With a few clicks, you can find descriptions of the properties, rooms, services and much more.

The screenshot shows the Transat website interface for the Paradise Los Cayos hotel. At the top, there is a navigation menu with options like 'Book', 'Deals', 'Destinations', 'Experiences', and 'My Booking'. The main heading is 'Paradise Los Cayos' with a 5-star rating. Below the heading is a large image of the hotel building. A blue callout box highlights a 'US \$550 Resort Credit and more' offer. Below the image are several circular icons representing different sections: 'Hotel details', 'Photos and videos', 'Inclusions and services', 'Rooms', 'Restaurants and bars', 'Activities and excursions', and 'Special offers'. At the bottom, there is a booking summary showing the departure date as 'Wed, Mar 20, 2019', duration of '6 to 8 days', and '2 Passengers, 1 Room'. The price is listed as '\$1,679' per adult for 7 nights, with a crossed-out price of '\$2,699' and a note that taxes and fees are included.

Here is the information that you can find in each tab:
